

BD990 Firmware Update

The BD990 Firmware Warranty Date can be extended until the end of 2026 (31 December 2023) using the following option code. This option code is not serial number specific; however, it will only work on the BD990 hardware.

f2DK4MJn4bd5/m

Firmware is available at: <https://oemgnss.trimble.com/support/>

For additional help installing option codes or firmware, see the [Updating Options and Firmware section of the Receiver Setup & Usage](#) application note.
