## iG5

# Octa-Frequency GNSS Receiver Quad Constellation: GPS + GLONASS + Galileo + BeiDou

#### **624-Channel Precision GNSS Receiver**

- Designed for NGS OPUS, perfect for OPUS Projects and all Static GPS Campaigns
- Standard RINEX files compatible with all processing programs
- Tracks GPS: L1/L2/L5/L2P/L2C GLONASS: L1/L2 BeiDou: B1/B2/B3 Galileo: E1/E5a/E5b
- Full case ground-plane geodetic antenna offers low angle tracking
- Simple 1-button (Power-Switch) operation
- Emulates USB External Drive for downloads
- Includes the iGage iGx Download Tool to automate Download, RINEX Export and OPUS online submissions
- 6-GB Internal Memory: stores ~100 full days of 5-second observation data
- Rugged, Submersible, IP67

### **iG5** GNSS Receiver Specifications

| vvarranty                             | I year warrancy, accessories so days, battery so days  |                       |   |                  |        |

#### Accessories included in the heavy-duty waterproof case with the iG5 receiver:

iGage iG5 Precision GNSS Receiver USB-C to USB Cable for charging and downloading Wall Mount Power Supply Printed iG5 User's Manual

iGage Download and Submission Tool on Thumb Drive

Hard-shell case

iG5 Complete Kit

- $^{\rm 1}$  Price includes Ground Shipping to most USA address.
- <sup>2</sup> Precision and performance values assume a minimum of 9-satellites in multipath clear, EMI free, obstruction free environment with reasonable atmospheric conditions and satellite geometry. Postprocessed accuracy is dependent on baseline length and time-on-point, 24-hour observations may be required. Stable mounts and generally accepted survey practices are required for the highest order survey results. OPUS solution results are CORS dependent.
- <sup>3</sup> Battery life varies with temperature and battery age. An external power source is recommended for static occupations lasting longer than 5-hours. Elevated and extreme cold working or storage temperatures (> 85°F, <-20°F) hasten capacity loss.
- <sup>4</sup> Assuming 14-tracked satellites.

Prices, specifications and descriptions are subject to change without notice. Please call us for the latest information and a price quotation.
